AUTOMATIC BILL PAYMENT

Boyett's Rayne Water is pleased to announce the availability of Electronic Funds Transfer (EFT). Now you have the **option** of having your statement amount automatically deducted from your **checking** or **savings** account, or Visa or Mastercard. Never worry again about your bill due date, 20% Finance Charges, writing checks, postage or mailing.

You will still receive a statement, but with EFT all you'll have to do is deduct the statement amount due from your checking or savings account register. Then on the 15th of each month we will automatically debit the amount due. The deduction will also be reflected on the statement you receive from your financial institution. There is no cost to you for using this service

To sign up for EFT, please complete the form below and include with **this month's payment**.
